

REMARKS/ARGUMENTS

Claims 1-2, 5, 8-12, 14, 16, 18, and 21-26 remain in this application. Claims 7 and 20 are cancelled without prejudice.

According to the current Office action, claims 1-2, 5, 7-12 are rejected under 35 U.S.C. 101, and claims 7-12 and 20-26 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Hence, Applicant has amended claim 1 to overcome the 35 U.S.C. 101 rejections and further incorporate all of the limitations of the allowable subject claim 7, and thereby asserts that the amended claim 1 is now in condition of allowance. Similarly, Applicant has amended claim 14 to incorporate all of the limitations of the allowable subject claim 20 and rewritten the allowable subject claim 26 in independent form including all of the limitations of the base claim, i.e. the previously presented claim 14, and thereby asserts that the amended claims 14 and 26 are also in condition of allowance. Since the other dependent claims are dependent upon claims 1 and 14, respectively, if claims 1 and 14 are found to be allowable, so too should the dependent claims.

Therefore, all pending claims are submitted to be in condition of allowance. The Examiner is encouraged to telephone the undersigned if there are informalities that can be resolved in a phone conversation, or if the Examiner has any ideas or suggestions for further advancing the prosecution of this case.

Appl. No. 10/710,539
Amdt. dated February 26, 2009
Reply to Office action of January 08, 2009

Respectfully Submitted,

/Winston Hsu/
